TERMS AND CONDITIONS OF SALE

1. The contractual relationship resulting from acceptance of each individual order is governed by the standards described in these general terms of sale. The purchaser waives any other general purchasing conditions, unless otherwise specifically accepted in writing by LA NORDICA S.p.A. / EXTRAFLAME S.p.A.
2. The purchase order is irrevocable and binding for the purchaser, and shall be considered accepted when the purchaser receives formal confirmation thereof from LA NORDICA S.p.A. / EXTRAFLAME S.p.A.. Once confirmed, the purchase order may not be cancelled without the prior written consent of LA NORDICA S.p.A. / EXTRAFLAME S.p.A.. In this event, LA NORDICA S.p.A. / EXTRAFLAME S.p.A. shall have the right to a suitable indemnity for the expenses and costs sustained in beginning to fulfill the order.
3. The prices indicated in the sale catalogues/price lists are purely indicative, and may change during the validity period of the catalogues/price lists themselves due to increased production costs. Once confirmed according to the procedures set forth in art. 2, the sale prices indicated in the order shall become binding, except in the event of unforeseen increases in production costs beyond LA NORDICA S.p.A. / EXTRAFLAME S.p.A.'s control. In this event LA NORDICA S.p.A. / EXTRAFLAME S.p.A. shall inform the purchaser of the price increase, indicating the cause thereof.
4. Delivery terms are purely indicative unless specifically agreed otherwise. Should the manufacturer be unable to fulfill the order due to circumstances of force majeure, irregular supply of raw materials or other unforeseeable circumstances, the terms of delivery shall be considered extended, and the new terms will be established by mutual agreement between the parties.
5. Products will be delivered to the purchaser ex-works (EXW) from the LA NORDICA S.p.A. / EXTRAFLAME S.p.A. facilities in Montecchio Precalcino (Vicenza, Italy) (Incoterms® 2010). Products will be sold under retention of title and remain property of LA NORDICA S.p.A. / EXTRAFLAME S.p.A. until the full-agreed price has been paid.
6. The purchaser undertakes to verify the quantity and state of the shipped packages in confrontation with the carrier or forwarding agent. Any complaints regarding quantity discrepancies or damaged packages must be notified to the carrier and according to the procedure agreed with the carrier itself. No Products may be returned unless previously agreed upon with LA NORDICA S.p.A. / EXTRAFLAME S.p.A.. In the case of authorized returns, the Products will have to be returned via free port and packing free of charge and shall be credited at the purchase price with a deduction from 10% to 30% for inspection and repackaging costs. In any case return of items which are not included in the price list currently in force at the time of the request will not be taken into consideration.
7. LA NORDICA S.p.A. / EXTRAFLAME S.p.A. does hereby represent and warrant that the Products shall comply with the technical specifications available in LA NORDICA S.p.A. / EXTRAFLAMES.p.A.'s catalogues and literature in general. The products are guaranteed for the period of one year from the date of purchase. In order to enforce the guarantee, purchaser must report the non-conformity in writing to the vendor and exhibit the purchase receipt. In the event of non-conformity, the consumer may request LA NORDICA S.p.A. / EXTRAFLAME S.p.A. to repair or to replace the defective products. LA NORDICA S.p.A. / EXTRAFLAME S.p.A. guarantees to repair the defective products free of charge. The guarantee shall not operate in the event of improper use of the products. Equally, non-conformities due to negligent or careless use, failure to comply with the instructions for operation of the equipment, installation in places that require specific safety standard, installation or maintenance performed by unauthorized personnel, damage caused during transport or by circumstances unrelated to manufacturing defects and/or non-conformity of the products are not covered by the present guarantee. LA NORDICA S.p.A. / EXTRAFLAME S.p.A. declines all liability for damage or injury which may be caused directly or indirectly to persons, property and domestic animals as a result of failure to comply with the instructions given in LA NORDICA S.p.A. / EXTRAFLAME S.p.A.'s catalogues and literature, in particular those related to installation, use and maintenance of the product. This warranty is the only warranty given by LA NORDICA S.p.A. / EXTRAFLAME S.p.A.. Consequently, except in case it is proven LA NORDICA S.p.A. / EXTRAFLAME S.p.A.'s gross negligence, LA NORDICA S.p.A. / EXTRAFLAME S.p.A. shall not be liable for any direct or indirect damage or loss of profit due to the misuse, the inability to use, or the incorporation of the Products in other products.
8. The Products must be installed and/or used in compliance with their technical specifications and instructions provided by LA NORDICA S.p.A. / EXTRAFLAME S.p.A.; they must also be installed and/or used in observance of the regulations and requirements governing the installation and/or use of electrical material in force in the country where the products are installed and/or used. Purchaser expressly relieves LA NORDICA S.p.A. / EXTRAFLAME S.p.A. of any liability in case the ordered products do not comply with the rules and/or standard and/or technical specifications in force in the country where they are delivered or installed in. Ordering the products Purchaser expressly declares that he has carried out all the necessary investigations regarding the compatibility of standards in force in the country for which they are purchased.
9. Payments must be made according to the procedures notified by LA NORDICA S.p.A. / EXTRAFLAME S.p.A.. Failure to pay invoices, in full or in part, beyond the established due date shall immediately lead to the application of interest at the rate as per D.Lgs. 9th October 2002, n. 231, in addition to any bank charges and commissions. Failure to pay for any reason shall authorize LA NORDICA S.p.A. / EXTRAFLAME S.p.A. to suspend additional shipments of material.
10. Under the terms of art. 10 of the law 196/2003, the purchaser is hereby informed that all personal information shall be entered into the LA NORDICA S.p.A. / EXTRAFLAME S.p.A. database, as a necessary aspect of correctly upholding the contractual relationship and compliance with certain legal requirements, as well as for statistical, commercial, marketing, promotional purposes, credit protection, management and transfer thereof. The personal information of the purchaser is processed by automated means and by authorized persons, with the use of security measures aimed at ensuring confidentiality. The personal information of the purchaser may be notified to public agencies, other firms within the group, credit retrieval firms or firms, consortia or associations for commercial, market research, and marketing purposes. LA NORDICA S.p.A. / EXTRAFLAME S.p.A. is the owner of processed data, whom the purchaser may contact to exercise his rights as set forth in article 13 of the law cited above. To this end the purchaser is hereby informed that he may access his own personal information at any time, and request that it be updated, corrected, or deleted and/or refuse to allow processing thereof.
11. The rights and obligations of the Parties are governed by Italian law, and the Court of Vicenza has non-exclusive jurisdiction over any controversy that may arise in relation to the sale of the products. The purchaser irrevocably accepts the jurisdiction of the Court of Vicenza should LA NORDICA S.p.A. / EXTRAFLAME S.p.A. file a suit with said court.

Validity of price list from 01/01/2026 until otherwise notified.

"If the purchasing party transfers the products of La Nordica Spa or Extraflame Spa to a third party abroad, it must verify compliance with applicable national and international (re-)export control regulations.

In any event, the purchasing party must comply with the (re-)export control regulations of the Italian Republic, of the European Union and of the United States of America. To this end, prior to any transfer of the products supplied by La Nordica Spa or Extraflame Spa to third parties, the purchasing party must verify and guarantee with appropriate measures that:

- a) no embargo regulations imposed by the European Union, the United States of America and/or the United Nations are violated by such transfer;
- b) such products are not intended for use in connection with armaments, nuclear technology or weapons, if and to the extent that such use is subject to prohibition or authorisation, unless a specific authorisation is provided;
- c) the regulations of the Republic of Italy, of the European Union and of the United States of America envisaging lists of third parties subject to sanctions and those relating to trading with entities, persons and organisations listed therein are duly verified and applied.

If requested, in order to enable the authorities, or the companies La Nordica Spa and Extraflame Spa, to carry out (re-)export controls, the purchasing party must promptly provide all information regarding the specific end customer, the specific destination and the specific intended use of the products supplied by La Nordica Spa and Extraflame Spa.

The purchasing party will indemnify and hold harmless La Nordica Spa and Extraflame Spa from and against any and all claims, proceedings, actions, fines, losses, costs and damages arising out of or relating to any failure by the purchasing party to comply with export control regulations, and will indemnify La Nordica Spa or Extraflame Spa, as the case may be, for all losses and expenses resulting from such failure.

The purchasing party formally acknowledges that the ascertainment of a violation of the rules on (re)export to countries and/or subjects subject to an embargo imposed by the Republic of Italy, the European Union, the United States of America and/or the United Nations, will result in the cancellation of all orders and the application of a conventional penalty equal to 50% of the value of the cancelled orders."

NOTE

• Due to printing reasons the reproduction of colours has to be considered only indicative.

• The fuel quantity (weight) inside the hopper and the hour consumption can change depending on the type of pellet which is used.

• All the figures were measured using approved pellets in compliance with EN ISO 17225-2.

• Facing tones and characteristics are subject to slight variations because they are natural products.

• The manufacturer reserves the right to change the products without any previous notice.

• The La Nordica-Extraflame products can be covered by industrial property rights (such as patents, designs and trademarks) owned by La Nordica-Extraflame exclusively. It is strictly forbidden to violate these rights as for removing, cancelling or corrupting the trademarks impressed on the products and impressing others.

• m³ that can be heated: the data is indicative. For the generator to be sized correctly, contact a skilled technician/designer.

• Before the purchase, ask your reseller all the information regarding the appliance. One must also bear in mind all laws and national, regional, provincial and town council Standards present in the country in which the appliance has been installed, as well as the instructions contained in this manual.

• The images contained in this document are for product illustration purposes only and do not represent indications for the performance or technical characteristics of the same.

• The data in the catalogue can be rounded off to the first decimal.

• La Nordica-Extraflame products are approved to work with 230V 50Hz power supply only. The use with different voltages and / or frequencies may compromise the functionality and safety of the products.

• The majolicas (if present) are the result of high-quality artisan work. As they are completely carried out by hand, the majolica may present crackles, speckles, and shadings. These characteristics certify their precious origin. Enamel and majolica, due to their different coefficient of dilatation, produce microcrackles, which show their authentic feature.

• The stone claddings are natural materials and as such are subject to aesthetic or chromatic variations between a piece and the other, these features represent the beauty and uniqueness of the product and cannot be considered defects.

ENERGY LABEL

As of 1st January 2018 the Energy Labelling Regulation came into force also for all the biomass heating appliances, both room heater appliances and appliances designed to heat the water for central heating and domestic hot water. This directive, in accordance with the regulations of the European Union, will assign an Energy Efficiency Class (from G up to A++) providing the buyers with information about the consumption and the efficiency

CERTIFICATES

Italian Regulation for the Environmental Certificate release of domestic solid fuels biomass room heaters (Classification from 1 up to 5 stars).

Only for Germany: The product is ready to be connected to a multiply chimney connection, just when the installation is made in accordance with requirements of the regional and national standards, and when observed the norms DIN EN 13384-2, DIN V 1816-1, DIN 18896 and MFeU-2007 (Muster-Feuerungsverordnung), and that the district chimney sweeper has checked and approved the correct installation.

French trademark of the ADEME agency for the environment and the energy. The products "Flamme Verte" approved guarantee the best high energy performances and respect for the environment.

German regulations on controlling emissions.

Certification issued by the German Federal Office for Economics and Export Control to promote the efficient use of biomass energy.

Only for Italy: the Ministerial Decree 28/12/12, better known as "Conto Termico", allows a specific incentive in case of replacement of old appliances by new ones with certain characteristics

LEGEND

- kW-N:** Nominal thermal power (kW)
- kW-H₂O:** Power given back to water (kW)
- m³:** Heatable m³ (30 kcal/h x m³)
- %:** Efficiency
- kg-l:** Tank total capacity (kg-l)
- kg/h:** Hourly consumption (kg/h)
- Smoke outlet diameter (mm)**
- Ø mm:** T = Top B = Back
RH side = Right side LH side = Left side
- Dim. WxHxD:** Dimensions WxHxD (mm)
- kg:** Net weight (kg)

- W:** Electric consumption (W)
- bar:** Working pressure (bar)
- Wi-Fi included
- Remote control with room sensor included
- Self-cleaning brazier
- Direct external air intake
- Sealed combustion chamber and hopper
